Gap Year & Entrepreneurship

Two students from the Class of 2023 were founding members of the AWSNA Social Entrepreneurship Program. They and an additional student from this class will continue their business projects after High School. Each has deferred their university studies—all majoring in Business and one planning to complete an MBA—to continue running and expanding their coffee business, Espresso Road, during their gap year.

Merit Scholarships

Combined, this graduating class has earned over \$2.1 million in merit scholarships to continue their education at colleges and universities in the US and abroad.

Individual Accomplishments

Employed throughout High School; linguistic anthropologists and storytellers; award-winning basketball players and leaders; national and world champion competitor for Japanese fencing team; accomplished baseball and basketball player; 2022 Rotary Greater Sacramento Speech Contest, 1st Place; National Speech and Debate Association, Degree of Excellence; American Invitational Mathematics Examination Qualification; Sacramento Youth Symphony, Premier Orchestra.

The Class of 2023 would like to be remembered as...

The class who made it; a chaotic roller coaster of guinea pigs; the group who got it done; the friends made along the way; the class who rose from the ashes; a family; the chaotic good of SWS; the underdogs; the party; unique and resilient individuals
