**SUMMER PROGRAM 2020**

**July 6 - July 31**

**Week 1 - Nature**
July 6 - July 10

This week, we explore the world around us! We will walk the nature trail to the river, do nature crafts, spend time on the farm and make our traditional tie dye T-shirts.

**Week 2 - Olympics**
July 13 - 17

This week groups will create obstacle courses, games, relays and other movement and games for fellow groups. We will be going on nature walks, explore bike safety and go on bike rides.

**Week 3 - Carnival**
July 20 - 24

We will experience new and fun ways to move! All groups will participate in circus activities, learn to juggle, create and play games before putting on a talent show at the end of the week.

**Week 4 - Storytelling**
July 27 - 31

We will explore storytelling using drama, art, and creative writing. We will also explore multimedia storytelling through summer program videos and blog posts to show to our community what we have been doing on campus, created by grades 6 - 8.
